How to make Paper Shamrocks

Supplies

- Scrapbook Paper – 12 x 12 inch works best
- Paper cutter
- Scissors
- Adhesive – either glue dots or tape runner or both
- Twine or ribbon to hang the shamrocks

Step 1

For each Shamrock you will need...

- 4 strips of paper – 1 inch wide by 12 inches long

- 4 strips of paper – 1 inch wide by 10 inches long
- Stem – 1 strip of paper – 1 inch wide by 12 inches long

Step 2

- Fold the 12 inch pieces in half, wrong sides together
- Fold the 10 inch pieces in half, right sides together

Step 3

- Start with the 12 inch strips and glue the ends together, right sides together to form a heart shape

Step 4

- Now take the 10 inch strip of paper and glue one end to the inside of the larger heart, wrong sides together

Step 5

- Now glue the other side, wrong sides together

Step 6

- Secure the 2 hearts together at the bottom point with a glue dot

Step 7

- For the stem, fold a 12 inch strip of paper in half and secure with glue
- Using a pencil, slightly curl the stem, if desired

Step 8

Now it's time to assemble all the pieces.

- First, cut a piece of twine and attach it between 2 of the hearts with a glue dot and then attach the 2 hearts together

- Then for the bottom, attach the stem with a glue dot and then attach the 2 hearts together

Step 9

- Attach the 2 sets together with glue and hang
