

Candy Corn Banner Instructions

Candy Corn Banner Supplies

- Scrapbook paper - you can find a whole package with different colors at Walmart for only \$5
- Paper cutter
- Hole Punch - this one is 1/8 inch - you will just need to be sure the twine will fit through the hole
- Twine

Step 1

Cut paper 9 inches long

Step 2

Then turn and cut the paper 5 inches wide

Step 3

To cut the paper into a triangle, you will need to measure and mark one end at 2 1/2 inches

Step 4

Lay the paper at an angle so that one corner is in line with the mark you made

Step 5

Cut paper into a triangle, starting from each corner

Step 6

Punch holes in top corners

Step 7

Run twine through holes

Finish and hang
